

YOU ALWAYS WANTED [TO BE A PHARMACIST.]

TOGETHER, WE'LL BUILD YOUR FUTURE.

Dominican University
River Forest, IL

Two dynamic universities have joined forces to provide an early admission program for students who would like to be accepted into pharmacy school directly out of high school. The Dual Acceptance Program (DAP) permits students to complete their prerequisite requirements during two years at Dominican University, then transition into Midwestern University's Chicago College of Pharmacy to begin a three-and-a-half-year Doctor of Pharmacy program.

Midwestern University and Dominican University are Equal Opportunity Educators/Employers.

To be eligible to apply students must:

- Be in their senior year of high school at the time of application.
- Apply to Dominican University (with acceptance gained later).
- Apply to the Dual Acceptance Program (DAP) via the online application by **November 1st** (early decision) or **February 15th**. The DAP application is available at www.midwestern.edu/DAP.
- Achieve one of the following scores on a national college entrance exam:
 - ▶ ACT score of 24 or higher; or
 - ▶ SAT score of 1190 or higher;
 - ▶ Exam(s) must include a writing component score.
- Earn a minimum cumulative grade point average (weighted) of 3.2 on a 4.0 scale.
- Demonstrate a people service orientation through community service or extracurricular activities.
- Demonstrate motivation for and commitment to the pharmacy profession as demonstrated by previous work, volunteer, or other life experiences.
- Possess the oral and written communication skills necessary to interact with patients and colleagues.

Successful applicants will:

- Benefit from receiving an excellent education at Dominican University.
- Ensure their seat at the Chicago College of Pharmacy upon successful completion of the DAP requirements.
- Be waived from having to apply to PharmCAS and take the Pharmacy College Admissions Test (PCAT).

To apply:

Eligible students may access the DAP application available online at www.midwestern.edu/DAP. Students apply to Dominican University directly through their admissions department noted below.

SAT scores may be forwarded to Midwestern University using the following code: 3788. Please see the back of this flyer for prerequisites and other requirements of this program.

Midwestern University's Chicago College of Pharmacy

Founded in 1991, the Chicago College of Pharmacy (CCP) offers the Doctor of Pharmacy (Pharm.D.) degree. Its successful curriculum emphasizes patient-centered care, communications, and uses group learning approaches to foster the team-oriented healthcare environment seen in current practice. CCP alumni work in community pharmacies, hospital settings, educational institutions, pharmaceutical companies, and managed care organizations. Graduates of the College are well positioned to be offered full-time positions in rewarding and challenging practice environments with excellent salaries. CCP is part of Midwestern University, an academic community committed to health

sciences. The University's 105-acre campus features state-of-the-art facilities and is located 25 miles west of downtown Chicago in Downers Grove, IL.

Program Requirements and Prerequisite Courses

To retain their admission into CCP, students admitted to this program must successfully complete the following DAP requirements:

- All pre-pharmacy prerequisite courses must be completed at Dominican University within two years.
- A minimum cumulative GPA of 3.20 must be achieved at the end of the spring semester/quarter of the first and second pre-pharmacy years, and at the end of all pre-pharmacy coursework at Dominican University.
- Students must earn a minimum grade of "C" in all required courses. A grade of "C-" or lower is not acceptable.
- Students may not repeat any prerequisite course for a higher grade. Students must submit all required deposit fees according to the schedule in their letters of understanding.
- Students must comply with the requirements outlined in the matriculation agreement and Technical Standards certification form.
- A Dominican University designee will meet with students every semester for advisement. The designee monitors the

progress of students at the completion of every semester and will advise CCP of any students failing to meet the requirements. In addition, students in the DAP program will be required to provide the MWU Admissions Office with an official Dominican University transcript at the end of their 1st and 2nd pre-pharmacy years.

- Any student who fails to complete the program can apply to CCP via the traditional route (i.e., complete an application via PharmCAS, submit PCAT scores, etc.).
