## IMT OVERVIEW

Institute of Management Technology, India's premier management school has been a pioneer in grooming leadership through Innovation, Execution and Social Responsibility since 1980.

IMT started its legacy from Ghaziabad in the Delhi NCR region and has now spread its wings to establish premier campuses across the country in Nagpur and Hyderabad as well as an international campus in Dubai. The institute has successfully and consistently translated its vision to be a leading management institution that contributes to the development of business and society through excellence in grooming leadership, entrepreneurial talent and research.
