Details of Expenses

a) UAE Visa

IMT Dubai sponsors student visa for the duration of study at a cost of AED 4000. This amount covers visa processing, medical, Emirates ID fees and other miscellaneous charges. Students should send documents for Visa/ Entry permit well in advance. They will receive Entry Permits via email about two weeks before arrival.

- I. *Students must arrive/exit through Dubai International Airport (DXB) to avoid any immigration related issues.*
- II. *Post-arrival, resident visa stamp on the passport takes 3-4 weeks. Within 7 days of arrival, original passport and entry permit are collected from students for submission to government for various formalities such as medical test/ Emirates ID/ Visa stamping. Passports are returned to students after visa stamping.*
- III. *International students are not permitted to stay in the UAE on visit visa or tourist visa beyond a few weeks. They need to apply for IMT Dubai student visa or obtain long-term residency/ work permit to pursue full time studies.*
- IV. *If student opts for on-arrival visa to enter UAE, he has to pay additional AED 1800 to convert on-arrival visa into a regular student residence visa. Extra amount covers government mandated charges pertaining to in-country visa amendments.*
- V. *As per government procedure, UAE residence visa is to be cancelled upon the completion of study period. For cancellation, student submits original passport, Emirates ID, health-card, and college ID at least one month prior to departure date. After visa cancellation, student can exit UAE within 10 days. An amount of AED 250 is deductible from the security deposit for various exit related clearances. Express cancellation is also available at extra cost.*

b) Library/ Course Textbooks

All students have access to library services. Smart e-books are available free of charge. However, you will have to pay in case you want personal copy of the textbook. Library assists in procuring the textbooks from its vendors on the specific request.

c) Health Insurance

UAE Government has made it mandatory to have health insurance before completing visa stamping on the passport. You must have a valid and adequate health insurance coverage for the duration of your stay in UAE. If an existing health insurance covers UAE, then submit a copy to get exemption from payment. In the absence of it, you must opt for one-year insurance cover from the health insurance provider of IMT by paying AED 1000.

d) Accommodation

IMT Dubai offers a safe and comfortable living environment comprising well-equipped male/ female rooms (single, twin sharing) to accommodate 600+ students. Residences have common dining facilities, sports and recreational facilities. Asian food expenses are included in the lodging charges.

On-campus accommodation is not mandatory but is recommended to maximize learning experience. Those opting for residence initially, but later choosing to move outside the campus have to pay for one month at the minimum. Charges once paid are non-refundable. There is a facility to pay for the full semester at the concessional rate of AED 16000-Single occupancy and AED 13000- Double Occupancy.

As of now institute does not provide any transport facility from across the city. Students can use public transport that connects IMT Campus to Al Rashidiya metro station.
