[www.brocku.ca/admissions/international/requirements](http://www.brocku.ca/admissions/international/requirements)

Applicants must present the credential required for entry to degree-level study in their home province/country. Contact [futurestudent@brocku.ca](mailto:futurestudent@brocku.ca) for further details.

## PREREQUISITE SUBJECT REQUIREMENTS

For any secondary school student applying from outside Ontario, prerequisite courses must be completed at the senior secondary school level. For any applicant that has attended a post-secondary program, prerequisite courses may be accepted from courses completed at the senior level of secondary school, or as part of the post-secondary program.

## GRADING SCALES

Grading varies around the world, as well as among secondary schools, universities and colleges. For this reason, all incoming grades are translated into equivalent Brock University grades and admissibility is assessed in these terms.

## CO-OP APPLICANTS

In order to meet degree and co-op requirements, transfer credit is limited to 5.0 credits (equivalent to one academic year). Applicants must be Canadian Citizens or Permanent Residents of Canada if intending to follow the Co-op Political Science Public Administration Concentration.

## CONCURRENT EDUCATION APPLICANTS

## BBA DOUBLE DEGREE APPLICANTS
