Applied Dreams

How will your story begin? [#myNCstory](#)

With over 100 programs, state-of-the-art facilities and the opportunity to gain hands-on, real world experience, [Niagara College is a place where students can achieve their dreams.](#)

The Niagara College Difference

Founded in 1967, Niagara College now educates more than 15,000 part-time and 10,000 full-time students, including over 1,200 international students from over 100 countries and they begin their dreams in our state-of-the-art facilities.

Our industry leading co-op work components have placed students with some of the most recognized international corporations in Canada. Through these co-ops, you will be able to put into practice what you've learned in class.

With an 87.8% graduate employment rate, Niagara College focuses on your academic success and your future career.

Vibrant, Modern Campuses

NIAGARA-ON-THE-LAKE

The Niagara-on-the-Lake campus boasts a 40 acre teaching vineyard, the Canadian Food and Wine Institute, Canada's first teaching winery and brewery and Benchmark Restaurant. It is nestled up against the Niagara Escarpment, a designated United Nations World Biosphere Reserve.

WELLAND

The Welland campus sits in a friendly community on 40 hectares of greenspace. The campus is a centrepiece for practical education and features the Applied Health Institute, the Rankin Technology Centre and is the home of programs in Fitness, Health, Liberal Arts, Media, Technology and Trades.

NIAGARA FALLS

The Niagara Falls campus is located in the heart of the Niagara tourist district and is a specialized institute for hospitality and tourism, business and environmental postgraduate studies. The modern campus embeds key industry partners as part of its applied education and training model.

The Niagara region offers one of the most beautiful and safe areas to study, live and work. At Niagara College, it's all about your success.

Working in Niagara

Niagara College enjoys one of the highest graduate placement rates in Canada, with dedicated staff helping make students' transition into the Canadian workforce a reality. Recent studies by the Canadian government rate employer satisfaction with Niagara Graduates at 89% – no wonder thousands of Niagara graduates are employed by companies across Canada.

Cooperative Education (Co-op)

Co-op provides an opportunity for students to gain practical industry experience during their studies. Many co-ops are paid.

On-Campus and Off-Campus Work

You will be able to work on-campus while you are studying. As of June 1st 2014, eligible students may qualify to work off-campus with a study permit.

Postgraduate Work

Upon completion of your program, you may apply to work in Canada for up to three years. The skills you develop during these years will give you the opportunity to combine Canadian work experience with your education helping you launch your career and turning you into a global player.

Living in Niagara

We're proud of our "small-town" atmosphere, friendly people and safe communities, nestled among the region's historic towns and hamlets. We are equally proud of being at the centre of one of the most populated areas of North America where ten million people live within a two-hour drive of Niagara College.

The Niagara region has a thriving culinary scene with countless award-winning restaurants and internationally-recognized chefs. Fruit orchards and vineyards flourish in its unique microclimate, while its wineries are considered among the world's finest.

Social Activities

The International Department organizes daily activities and social events to encourage learning outside of the classroom and enable life-long friendships to flourish. Some of these include:

- Hiking, camping, canoeing and horseback riding
- Day trips to Toronto, Niagara Falls and Crystal Beach
- Sports (soccer, basketball, volleyball, hockey)
- Skiing, snowboarding

We welcome new students each year and are proud to play host to their dreams. Niagara College is committed to student success.

Accommodations

Many great accommodation options including homestay, residence and off-campus housing are within a short walk of the campus. This brings us back the advantage of learning in Niagara: affordable, safe and quality housing within 30 minutes of the College - all part of the NC charm.

HOMESTAY & LANDING PAD

Experience Canada through the warmth of a family home. An international housing coordinator carefully selects a family to suit your needs, ensuring you have a comfortable and enjoyable stay. Homestay includes three meals a day, your own fully furnished room and study area, and access to the entire house.

ON-CAMPUS RESIDENCE

NC's Residence Suites are designed for new students who wish to experience living among other students. Spacious residences at the Welland and Niagara-on-the-Lake Campus feature a kitchenette, bathroom and light housekeeping duties.

OFF-CAMPUS LIVING

We help you search for the perfect home away from home with our online housing boards. Take advantage of the safe, affordable, quality housing available within close distance to the College.

Transportation

Included in post-secondary and graduate program registration, students are issued a free bus pass that can be utilized across all Niagara regional bus transit systems. Many students also choose to use bicycles, car pool or walk to school.

New students can also request the College to arrange an airport pick-up to help them arrive safely to the College.

Student Services

Our goal is to help you prepare for your future. The Niagara College service staff take extra care to make sure your student experience is the best and puts you on the path to success.

FREE resources include:

- Health services
- Tax services
- Peer tutoring
- Counseling (budgeting, stress management, crisis and academic)
- Test centers and testing accommodations

ORIENTATION

To help you become familiar with all we have to offer, we have organized a variety of exciting Orientation events. Orientation will provide you with useful information about our College and its programs while giving you an opportunity to meet new friends as you immerse yourself in the college experience.

CAREER CENTRE & EMPLOYMENT SUPPORT

Niagara College students, graduates and members of the community are encouraged to take advantage of the wide range of employment resources and services offered by the College.

- Assistance with resumes, cover letters and interviews
- Assistance and access to online job postings
- Access to computers, internet, phone, printing, photocopying and fax equipment for job related purposes
- Career fairs and networking events

89% Employer Satisfaction with Niagara College Graduates they have hired. HIGHER THAN THE PROVINCIAL AVERAGE

Niagara College Canada

Niagara College offers more than 100 diploma, bachelor degree and advanced level programs at campuses in Welland, Niagara-on-the-Lake, and Niagara Falls; as well as more than 600 credit, vocational and general interest continuing education courses. Areas of specialization include food and wine sciences, advanced technology, trades, media, business, applied health and community safety, supported by learning enterprises in food, wine, beer, horticulture and esthetics.
