# FEES AND FUNDING

## QUEEN'S TUITION FEES AND SUPPORT AVAILABLE

This section outlines the different tuition fee and student financial support arrangements for students from Northern Ireland, those from England, Scotland and Wales (Great Britain), and those from the rest of the European Union. Information for International students are available on page 57. Please visit: [qub.ac.uk/TuitionFees](http://qub.ac.uk/TuitionFees)

Queen's works to ensure that all those who can benefit from a university education have the chance to do so, and a generous system of financial support is in place to help them.

Higher education funding arrangements mean that students can study now and pay later. Tuition fees can become part of a loan, available from the Student Loans Company (SLC), which will be paid back when they are working and earning. For current thresholds, please refer to: [slc.co.uk](http://slc.co.uk)

## FEES: FULL-TIME UNDERGRADUATE

- **Students who normally live in Northern Ireland (NI students)**  
Full-time undergraduate: £4,395
- **Students who normally live in England, Scotland and Wales (GB students)**  
Full-time undergraduate: £9,250
- **Students who normally live in the Republic of Ireland and other non-UK European countries (EU students)**  
Full-time undergraduate: £4,395

The tuition fees quoted are for 2020-21 as fees for 2021-22 have not been set. Tuition fees will be subject to an inflationary uplift in subsequent academic years.

Please refer to [qub.ac.uk/TuitionFees](http://qub.ac.uk/TuitionFees) for updates to tuition fees for 2021-22.

For further details on residency please visit: [qub.ac.uk/TuitionFees](http://qub.ac.uk/TuitionFees)

## TUITION FEE PAYMENT OPTIONS

A number of options are available to pay tuition fees. Students can either:

- Defer direct payment of fees by applying for a tuition fee loan from the SLC.
- Sign up to a Direct Debit and make a minimum 25 per cent payment at enrolment, followed by three monthly payments, in November, January and March of each academic year.

The Direct Debit scheme is only available to those who have a current account with a UK bank, which is registered for the Direct Debit scheme.

- Pay the full tuition fee on enrolment, or
- A combination of fee loan and payment.

Please note that 25 per cent of the tuition fee liability, due at enrolment, is non-refundable.

## APPLYING FOR TUITION FEE LOANS AND SUPPORT

Eligible students, who first enrol in September 2021, can defer their fees by applying for a fee loan. Those who wish to take out a loan should complete the PN1 application online – for details please refer to the websites below. A single application is made for a tuition fee loan, maintenance loan and government grant. The household income details submitted will also be used in the assessment of a student's eligibility for a University bursary.

## STUDENT SUPPORT FUND

The Student Support Fund is a discretionary fund, which provides financial assistance to students who encounter financial difficulty whilst studying at Queen's. To be eligible for an award from the Support Fund, undergraduates must have taken out the maximum tuition fee loan and maintenance loan to which they are entitled.
